

ROVER App Setup Procedure

For Apple iPhone and iPad Users:

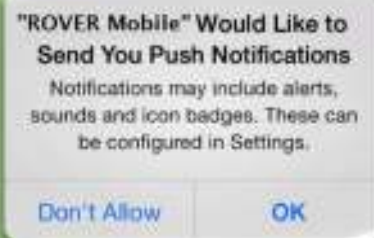

Go to the App Store on your device.

Search for “rover mobile,” with the image of a Dalmatian dog.

Download the App.

On opening the app, if you are asked “ROVER Mobile Would Like to Send You Push Notifications”, select “OK.” Do the same if you are asked to allow it to your use your current location.

Input your mobile phone number when prompted.

Click “Fetch.” If the phone number provided isn’t accepted, please check the number. If the number is correct and you are still getting an error, please contact your ROVER administrator.
